**Youth Shelter Gains Additional Staff with Donation
From Gordon Flesch Charitable Foundation**

MADISON, Wis. (November 23, 2008) – The Gordon Flesch Charitable Foundation donated \$5,000 to the Walker’s Point Youth and Family Center in Milwaukee on October 23. The donation will help cover the cost of adding additional licensed counselors to the shelter staff.

The Walker’s Point Youth and Family Center has met the needs of runaway, homeless and troubled youth and their families from Milwaukee’s diverse communities since 1976. As a positive alternative to the streets, Walker’s Point provides services to empower youth, help them resolve personal and family problems, strengthen family relationships and support safe and stable homes.

“Walker’s Point relies on generous donations to help serve the growing number of homeless youth in Milwaukee,” said Andre Olton, executive director of Walker’s Point. “The donation from the Gordon Flesch Company will enable us to hire additional qualified staff to help counsel troubled youth and their families.”

Remaining true to the company vision to “serve the communities where we work and live,” the Gordon Flesch Charitable Foundation, Inc. has donated more than \$800,000 to various charities and organizations in Illinois, Indiana, Ohio and Wisconsin since its inception in 2002. Each year, grants totaling \$100,000 are awarded throughout the communities where the Gordon Flesch Company does business.

“The creation of the Charitable Foundation formalized a spirit of generosity that has been part of the Gordon Flesch Company culture since the beginning,” said Ann Myers, president of the Gordon Flesch Charitable Foundation. “It is a reflection of the company’s awareness that we make a living by what we get, but we make a life by what we give.”

-more-

The Gordon Flesch Charitable Foundation, Inc. is led by a board of four employee volunteers. The charities are selected from nominations submitted by individual associates throughout the Gordon Flesch Company. Organizations, large and small, that provide assistance to those suffering from disease or recovering from disaster are given priority attention.

Experts in office equipment, technology products, leasing and onsite services, the Gordon Flesch Company has been in business for more than 50 years. As one of the nation's largest independent digital office equipment dealerships, the company employs more than 700 people throughout 20 offices in the Midwest.

Technology that works. People who perform.
